## MUSLIM WORLD RAMADAN

### STATISTICS

There are approx. 1,600,000,000 Muslims in our world.

Muslims are observing Ramadan April 13 - May 12 during the 9th month of the Islamic calendar. This is a month of ritual fasting, reflection & prayer, sunrise to sunset.

Fasting, meaning “to refrain,” is considered one of the five pillars of Islam that shape a Muslim's life. Fasting is not only from food & drink but also from evil thoughts, actions or words. Breaking the fast occurs daily after sunset.

Regional variations on how Ramadan is observed are common & the length of the fast also varies depending on location. Unlike some other Islamic observances, Ramadan is held in equal reverence by Sunni & Shiite Muslims.
