FULANI PEOPLE

STATISTICS

Population - 20,000,000

Majority Religion - Islam - 99.20%

Christian - 0.80% Evangelical - 0.01%

Main Language - Pulaar (Western Dialect)

The Fulani are very devoted to Islam, following the teachings of Mohammed & spreading those teachings throughout much of West Africa.

Some have converted to Islam from old animistic beliefs within the last 60 years. Leather pouches containing verses from the Quran often replace traditional types of charms.

Only six years of education is provided for children, but many leave school even earlier.
